

# JUSTIN FLAVEL CPA

## HEALTH INDUSTRY ACCOUNTING SPECIALIST

### ABOUT

Justin supports the Australian Association of Podiatric Surgeons Ltd (AAPS) with understanding of the industry to provide business insight and education to individual members, as well as through partnership between AAPS and Omnis Group.

### EXPERIENCE

Justin provides exposure to a variety of topics important to running a business to which most podiatrists typically would not be exposed.

Justin is very well connected within the Australian health sector; many of those connections being utilised to obtain additional benefits most recently seen in public liability cover being negotiated for members. These connections and experiences provide opportunities to share insights and information that can be coordinated by Justin as he seeks to support the association with initiatives such as tax audit insurance, public liability cover and Q&A opportunities.

### HEALTH PROFESSIONALS' NEEDS DIFFER

Justin's passion is in facilitating businesses to grow and evolve. His focus is on acting in the role of business mentor to help clients develop the full potential of their businesses. He joins clients on their unique journey, and provides the tools and knowledge they need along the way to make the right decisions.

Justin's aim for his clients parallels his own philosophy and personal journey - focusing on his own career growth and business success while maintaining balance in his life with his wife and three daughters.
